

Usutu Forest School

Bullying/Hurt Free Week

We, the teachers, pupils and parents of Usutu Forest School:

- Do not tolerate bullying.
- Respect each other's rights to human dignity.
- Promise to promote a safe school environment.
- Value and respect each person's unique personality.

Each term we dedicate one week to "Hurt-free Week" which concentrates on the qualities of tolerance, friendship and understanding. Whilst this is emphasized during this week, it is an ongoing programme.
