“Semper Sursum - Always Aim High”

25 March 2022

To the UFS Community,

Thank you to the 300+ folk who signed up for our first ever
Star Paint Colour Dash!

We are very disappointed that we have had to postpone
This event due to inclement weather, but look forward to
hosting it on the 21st of May!

The Grade 2-7 summer co-curricular programme and Grade 00-1 private afternoon activities will recommence on Monday, 28 March until Thursday 31 March.

The Grade 2-7 winter co-curricular programme and sign up form, as well as the Grade 00-1 private afternoon activities, will be sent to parents next week and the new season's activities will start on Monday, 4 April.

UFS International competed at the ISSA U19 invitational tournament this past weekend. The tournament was a first for the team in two years. The boys did not show any 'rust' due to inactivity. They started off the tournament with a hard fought victory against Lebone, this would have been expected after having travelled the long journey from Eswatini on the same day. In the games that followed on Day 2, the team showed its strength, and deservedly won their 2 group games and qualified for the quarter finals. The boys dominated their opponents in both the quarter and semifinals, and qualified for the championship match. The championship match was a tough one for the boys. Nevertheless, the boys fought hard and we lost to eventual champions, a club side, the Jozi Nuggets.

We were the proud hosts of the first soccer girls U14 and U18 tournament on the 12 of March 2022. We invited 6 schools from all the regions in Eswatini. The UFS International U14 soccer girls placed themselves third, and the U18s in second place. We are delighted with our teams and the enthusiasm they brought to this wonderful sunny day. Both teams displayed a fantastic team spirit and sportsmanship. Once again, they brought home medals and made us all proud. We commend our students for the resilience and great performances they gave after two years without training. We thank the dedicated coaches for their amazing work.
