"Semper Sursum - Always Aim High"

21 January 2022

To the UFS Community,

What an absolute delight it has been to have our campus filled with the sounds of our wonderful students this week!

I wish to applaud them for the manner in which they have embraced their return to school after the December vacation, and also our teachers, who have been superbly well prepared to ensure high calibre teaching and learning commenced with the very first lesson.

Thank you to the many parents with whom we have engaged on campus this week for your positive energy, optimism for the year ahead, and compliments about the condition of the campus and the new branding.

We are excited to be launching our co-curricular programmes next week. This is Monday for the High School and on Wednesday for the Primary School. Information has been sent out in this regard but for any queries, please feel free to email as below;
