

17 June 2022

To the UFS Community,

SPORTING MATTERS:

This week’s newsletter is full of sports. It is wonderful to have our young sports stars participating in so many events, and it is especially pleasing to be able to reflect on many pleasing results and to acknowledge our students’ excellent sportsmanship.

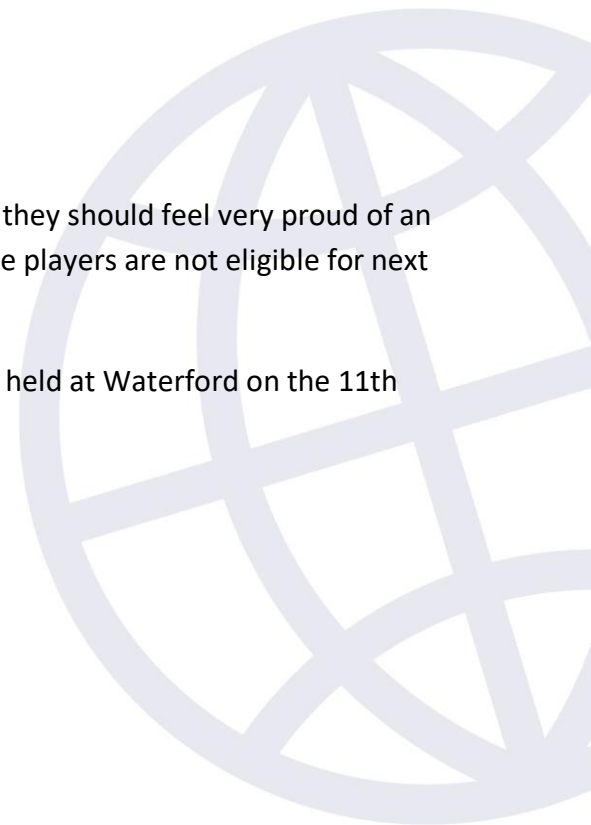

On Saturday, the U/18 netball team played at Olympia.

| U/18 GIRLS POOL GAMES | | | |
|-----------------------|----|-------------|----|
| UFS | 11 | BAHAI | 1 |
| UFS | 13 | ENJABULWENI | 11 |
| UFS | 13 | UTECH | 9 |
| UFS | 12 | SISEKELO | 7 |
| SEMI-FINAL | | | |
| UFS | 15 | SIFANDZANE | 4 |
| FINAL | | | |
| UFS | 5 | WATERFORD | 17 |

Although the girls were disappointed by their loss in the final, they should feel very proud of an exceptional day of netball, especially given that only two of the players are not eligible for next year’s U/18 team.

The U/14 and U/18 Football Tournament hosted by Bahai and held at Waterford on the 11th yielded the following;

| U/14 BOYS POOL GAMES | | | |
|----------------------|---|-------------|---|
| UFS | 1 | ENJABULWENI | 1 |
| UFS | 1 | BAHAI | 2 |
| UFS | 0 | UTECH | 2 |
| UFS | 2 | KA-ZAKHALI | 0 |

| U/18 BOYS POOL GAMES | | | |
|--------------------------|---|------------|---|
| UFS | 2 | BAHAI | 0 |
| UFS | 0 | SIFUNDZANI | 2 |
| UFS | 1 | LUSUNDVU | 0 |
| UFS | 0 | SISEKELO | 0 |
| SEMI-FINAL | | | |
| UFS | 0 | UTECH | 0 |
| Lost on Penalty Shootout | | | |

TRANSPORT MATTERS:

We kindly request that all parents discuss with your children the need to embark on the bus at the various collection points and to remain on the bus. This is obviously for safety and control reasons. Some students at the Woodlands collection point are apparently being dropped off and then entering various stores to purchase items. This should not be happening.

Please also appreciate that our buses have to leave promptly to ensure they arrive at school timeously in order for lessons to begin on time with all students present.

Again, in the interests of working towards the safety of our children, we request that parents who park in the main parking area in front of the school hall, physically collect your children from the immediate hall area and escort them to your vehicles or the lift club vehicles. Please appreciate that whilst we have ample teacher supervision at this point during these times, we need parents and drivers to assist us in ensuring all children embark safely into their vehicles.

Our school will be a hive of activity this weekend as we host interschool hockey and basketball festivals, and we look forward to this celebration of sporting participation.

Yours in Education,

Gareth Allman
Executive Principal
